THE FILM

The film THE WAGNER FILES by Ralf Pleger takes a bold and in-depth approach to Wagner's life on the run. Re-creations with well-known actors, comic-style animations and interviews with leading experts make this documentary a complex portrait of Wagner's myth and machinations.

THE APP

41 INTERACTIVE GRAPHIC NOVEL PAGES

- 240 single animated pictures

- 80 historical photographs, scores and letters
- Music visualisation of »The Flying Dutchman«
- Interviews with leading Wagner experts

Available on the
App Store

THE GRAPHIC NOVEL

Celebrating Richard Wagner's 200th birthday, Knesebeck publishing house releases Wagner's life and work for the first time as a Graphic Novel. Flavia Scuderi and Andreas Völlinger dare to approach this brilliant but controversial composer in a new way and follow his tracks – as an artist and as a human.
